DISCUS Dispatch   Winter 2014

DISCUS 7.2 is the Perfect Gift for your Quality Team

Santa Knows Best--Get DISCUS

Is your quality team overwhelmed with laborious data entry?. Are they entering the same information over and over again, just on different forms?

That is just plain naughty!

Take a look at DISCUS and free your very nice quality team from the drudgery of paperwork.

DISCUS 7.2 can be the perfect addition to your team and we will give you a discount, just in time for the new year! And we have the new Revision B, all ready for you too!

Sign up for a **demo** to see for yourself!

Contact us today and we will get you out of the cold with manual work.

Enhanced OCR will recognize and auto-populate Feature Control Frames, Diameters, Depth, Basics, More.

7.2 OCR is BRRRRilliant!
