DISCUS 10.0.2 Release Notes

Previous Version: 10.0.1
Release Date: September 23, 2019
Release Type: Patch

BUGS

- Fixed bugs which could cause an out of memory condition.

- Fixed a bug which caused characteristics to change their assigned Characteristic Group against the will of the user.

- Fixed a bug which caused erratic behavior of the drawing panel under certain conditions.

- Fixed a bug in the Add Part and Edit Part dialog which resulted in the action not matching the expected behavior of the View Result Document and Edit Result Document buttons.
